Letter to the editor: Montanans prioritizing oil and gas over nature

The legislature departed for the summer without voting on bills that would raise dog licensing fees, a proposal unpopular among House Republicans, according to a key committee chair.

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word.. All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent." "You'll never find Him on your own... He is far away in one sense, but in another He is as near as your heartbeat, for the cross has bridged the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

The most important question we can ask... For A. W. Tozer, there is no question more important than, "What is God like?" The desire to know God consumed his entire life and ministry. That's why those who read him come to know God more intimately. Originally preached as sermons to the Avenue Road congregation in Toronto, this follow-up to The Attributes of God Volume 1 examines ten more attributes of God. It also includes a study guide for an in-depth look at each attribute: Self-Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you.

The most important question For A. W. Tozer, no question is more important than, "What is God like?" The desire to know God consumed his entire life and ministry. That's why those who read him come to know God more intimately. Originally preached as sermons at Southside Alliance Church in Chicago, this first volume of The Attributes of God examines ten attributes of God. It also includes a study guide for an in-depth look at each attribute: Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you. "If a sermon can be compared to light, then A.W. Tozer released a laser beam from the pulpit, a beam that penetrated the heart." – Warren Wiersbe, former pastor of The Moody Church

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, 'The Attributes of God' also has enough depth and meat to satisfy the more experienced reader.

The Attributes of God Volume 2: Deeper Into the Father's Heart, speaks to God's Self-Existence, Transcendence, Eternality, Omnipotence, Immutability, Omniscience, Wisdom, Sovereignty, Faithfulness, and Love. A.W. Tozer writes urgently in his introduction to this second volume of The Attributes of God. "Nothing less than this will save us." Originally preached as sermons to the Avenue Road congregation in Toronto, this study of ten more attributes of God restores our knowledge of who God is. A study guide has been added for an in depth look at each attribute.

A companion to The Attributes of God, The Attributes of God Journal is more than a text with room to write. It is a call to commune with God -- a worship manual and a worship opportunity merged into one. Padded. Cloth.

How can we (created beings) know God (the Creator)? Throughout history, the church has recognized the importance of studying and understanding God’s attributes. As the Creator of all things, God is unique and cannot be compared to any of his creatures, so to know him, believers turn to the pages of Scripture. In The Attributes of God, renowned theologian Gerald Bray leads us on an exploration of God’s being, his essential attributes, his relational attributes, and the relevance of his attributes to our thinking, lives, and worship. As we better understand God’s attributes, we will learn to delight in who God is and how he has made himself known to us in Scripture.

The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock (1628-1680), an English puritan divine who was highly skilled in philosophy, patristics, Reformed theology, and Biblical languages. These volumes are his abiding monument. They are worthy of being compared with the finest in theology. "When the existence and attributes of God are called into question, to whom else can we better go than to Stephen Charnock" . . . "those [things revealed belong to us and to our children forever]. The material that Charnock discusses is firmly founded in the Word of God" . . . "Both the Old Testament and the New emphasize these two things: First, we should study the whole revelation, not just some easy or favorite parts of it; secondly, the study of God's attributes is not dry as dust theology, but is practical; that is, it leads to righteousness" (Dr. Gordon H. Clark, from a preface to this great work in a Sovereign Grace edition, 1958). One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God. It is often said that this is simply because these volumes are exhaustive on the subject. Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes. "Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with, but as qualities observable in the concrete actions of the living God of which the Bible speaks. The technical terms and sometimes, arguments of scholastic theology are employed, but always with a Biblical orientation. Charnock has no desire to speculate, but only to declare the works and ways, the nature and character, of the God of the Bible. The substance of his doctrine is characteristically Puritan and representatively Reformed." (Dr. James I. Facker, in The Encyclopedia of Christianity, Volume II, p. 410) The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God, and thereby will reach a higher plane of spiritual enjoyment never attained before. To know Him better is to love Him more.

"This is Mark Jones at his best. In twenty-seven concise chapters, God is invites, equips, edifies, comforts, and challenges God's people to know God better and love him more." –Rosaria Butterfield, Former Professor of English, Syracuse University; author, The Secret Thoughts of an Unlikely Convert God has revealed many things about himself in his Word. But God’s manifold attributes shine most clearly in his Son, Jesus Christ, who came to reveal his Father. Through Christ’s saving work on the cross, we are able to know and worship God rightly. This book aims to help us study and understand the attributes of God so that we delight in and love him with all our heart, soul, strength, and mind. Each chapter explains one attribute, shows how it is most clearly manifested in Christ, and provides practical application for the Christian life.
