to a wide audience. First published in 1960, this watershed work aimed to make madness comprehensible, and in doing so revolutionized the way we perceive mental illness.

The Divided Self: An Existential Study in Sanity and ...

The Divided Self is a fairly good and short phenomenological/existential description of schizoid/schizophrenic being-in-the-world. In other words, instead of trying to find a strictly biological or psychoanalytical causal explanation of madness, Laing, drawing from Binswanger, Merleau-Ponty, and Heidegger, tries to describe how the schizoid/schizophrenic person sees and interprets her/his world.

The Divided Self (An Existential Study in Sanity and Madness)

The Divided Self: An Existential Study in Sanity and Madness. The Divided Self. : Dr. Laing's first purpose is to make madness and the process of going mad comprehensible. In this, with case studies of schizophrenic patients, he succeeds brilliantly, but he does more: through a vision of sanity and madness as 'degrees of conjunction and disjunction between two persons where the one is sane by common consent' he offers a rich existential analysis of personal alienation.

STUDY IN SANITY AND MADNESS

Laing

In *The Divided Self* (1960), Laing contrasts the experience of the “ontologically secure” person with that of a person who “cannot take the realness, aliveness, autonomy and identity of himself and others for granted” and who consequently contrives strategies to avoid “losing his self”.
