A lot of modern men simply don't know what women want in a man. Unknowingly, these men go against the natural flow of a sexual courtship and end up turning women off from the very first moment. Their lack of success with women often leads to them losing confidence, developing fears of rejection and also avoiding opportunities to talk to women and ask them out .

Human evolution, the process by which human beings developed on Earth from now-extinct primates. The only extant members of the human tribe, Hominini, belong to the species Homo sapiens. The exact nature of the evolutionary relationships between modern humans and their ancestors remains the subject of debate.
