One of Goodreads' 43 Most Anticipated Reads of 2019 "Beautiful. Intimate. Tearful. Aching and lyrical. So simply and beautifully told." -Louise Penny. #1 New York Times bestselling author "I'm here to remember—all that I have been and all that I will never be again." If you had to pick five people to sum up your life, who would they be? If you were to raise a glass to each of them, what would you say? And what would you learn about yourself, when all is said? At the bar of a grand hotel in a small Irish town sits 84-year-old Maurice Hannigan. He's alone, as usual - though tonight is anything but. Pull up a stool and charge your glass, because Maurice is finally ready to tell his story. Over the course of this evening, he will raise five toasts to the five people who have meant the most to him. Through these stories - of unspoken joy and regret, a secret tragedy kept hidden, a fierce love that never found its voice - the life of one man will be powerful and poignantly laid bare. Beautifully heart-warming and powerfully felt, the voice of Maurice Hannigan will stay with you long after all is said and done.

Picturesque but poor, abject yet sublime in its Gothic melancholy, the Ireland perceived by British visitors during the eighteenth and nineteenth centuries did not fit their ideas of progress, propriety, and Protestantism. The rituals of Irish Catholicism, the lamentations of funeral wakes, the Irish language they could not comprehend, even the landscapes were all strange to tourists from England, Wales, and Scotland. Overlooking the acute despair in England's own industrial cities, these travelers opined in their writings that the poverty, bog lands, and ill-thatched houses of rural Ireland indicated moral failures of the Irish character.

Born in Dublin into the Anglo-Irish gentry, Anna Maria Hall moved to London when she was fifteen where she became famous for her books, plays and travel writing. It was her book, Sketches of Irish Character (1829) which made her a household name. This modern critical edition is based on Hall's third, revised edition of 1844.
