Jo Walton interview - the Thessaly trilogy *The Just City Jo Walton*
Plato, as I now knew, did not value empathy. As a good writer of
fiction, and a decent human being, Jo Walton clearly does value
empathy. In her story, the god Apollo goes to live in the Just City to
see how others feel, to discover why Daphne ran away from him and
turned into a tree to avoid his advances.

exists outside of time, meaning the gods can move through it fluidly. They can also snatch humans out of their various centuries and dump them in a time and place of their choosing.

The Just City (Thessaly, #1) by Jo Walton

Created as an experiment by the time-traveling goddess Pallas Athene, the Just City is a planned community, populated by over ten thousand children and a few hundred adult teachers from all eras of history, along with some handy robots from the far human future—all set down together on a Mediterranean island in the distant past.

The Just City by Jo Walton, Paperback | Barnes & Noble®

The Just City is a delight, both playful and intellectually rigorous. Library Journal Starred Review As skilled in execution as it is fascinating in premise, Walton's new work doesn't require a degree in classics, although readers might well be inspired to read Plato after seeing the rocky destruction of his dream.
