Cut Loose All Those Who Drag You Down Ross Klavan The story of what turns out to be a very, very bad night. A crooked reporter who fronts for the mob and who 's been married eight times is minding his own business at home when he gets a sudden visit from his oldest friend, a disgraced and defrocked shrink. The man is in deep trouble. He needs a place to hide. The problem is, he refuses to admit to exactly what 's wrong and so there begins a heated, drunken, drug fueled discussion that runs through failed marriages, divorces, mistresses, murders, suicides, police raids that went wrong, meetings with strange women in the desert, a child with killing on his mind and more. When it 's finished, the answer to what 's wrong becomes horribly clear...and somebody is going to pay with his life. Beaned Tim O ' Mara Hours after successfully transporting smuggled maple syrup from Missouri to New York City, and picking up a truckload of maple-syrup related products for the return trip, Aggie and his new partners decide it 's more important to help take down a sex-trafficking ring based out of Manhattan. Taking care of business first—trading the maple-syrup products for high-end coffee beans and distributing the new cargo—Aggie takes off for The Big Apple. His mission: help take down the billionaire who 's funding the trafficking of under-aged children for the pleasure of other rich folks. His trip takes him to Manhattan 's toney Upper East Side to a final confrontation in the US Virgin Islands. The Fifth Column Charles Salzberg Several months after the shock of Pearl Harbor thrusts America into the war, Jake Harper, a young Connecticut reporter, gets his dream job on a New York City Newspaper. Returning to the city of his birth, Jake meets a young boy who 's been bullied and savagely beaten in a schoolyard by a bunch of young toughs wearing Brown shirts and railing against Jews. Jake, who smells a possible story, suspects the resurgence of the German-American Bund on the Upper East Side. As he digs deeper, he begins to suspect that the supposedly disbanded Bund is alive and well and making plans to sabotage the American war effort.

From the New York Times–bestselling and award-winning author of The Infinity Concerto, the fantasy saga continues . . . After five years trapped in the Realm of the Sidhedark, Michael Perrin has returned home. He wants nothing more than to live a normal life—but the unearthly music of Arno Waltiri continues to play on. The song of power has weakened the veil between the human and faerie worlds. The streets of Los Angeles are haunted by uncanny beings, strange bodies have been discovered in a dilapidated hotel, and an ancient creature calls to Michael from the waters of a loch in Scotland. The Sidhe have followed Michael home. To repair the rift between Earth and Realm, man and fae, he will have to wield the magic he wished he never learned—and complete an unfinished symphony linked to the ethereal melody of Waltiri 's Opus 45, the Infinity Concerto. This follow-up to The Infinity Concerto is a work of fresh, out-of-the-ordinary fantasy by an acclaimed winner of the Nebula and Hugo Awards, the author of The Forge of God, the Forerunner Saga, and other reader favorites.

Maxim Reznik is the alpha king of a land ravaged by war from without and traitors from within. The barrier that keeps his shifters safe from attacking humans is on the brink of collapse, and the only one who can save his kingdom is the wolf who betrayed Maxim years before – his omega and ex-lover – Sasha Volkav. When Sasha severed their mate bond, Maxim never thought he 'd see the omega wolf again. Now Maxim has a wife, a kingdom and a mess of responsibilities, but Sasha needs Maxim 's help. While Sasha ignites old passions Maxim swore died years ago, trusting the omega is a different matter entirely. Sasha might be an omega, but he 's not weak by any means. A curse grants him unimaginable powers that come at a high price – they 're slowly killing him. If Sasha breaks the curse he can save Maxim 's kingdom and his own life. The only problem is he needs his ex-mate 's help to do so, and Maxim isn 't the same alpha Sasha remembers. Years of betrayal have hardened Maxim 's heart, and if Sasha can 't gain Maxim 's forgiveness all is lost. Lust sizzles between Sasha and Maxim, but can they repair their severed bond and fall in love again before it 's too late? Contains graphic gay sex and violence.

What's worse than being hunted by a devil? Discovering you've been mated to one. Since moving to Mystic Harbor, Maine, I've made it my life's mission to avoid Reese Blackburn at all costs. Sure, he has cheekbones that could cut glass, not to mention bedroom eyes that could melt any girl into a puddle on the floor. Too bad that doesn't change the fact he's completely stab-worthy.
