She begins by showing the evolution of the positions of both parties on women's rights over the past five decades. In the 1950s and early 1960s, Republicans were slightly more favorable than Democrats, but by the early 1980s, the parties had polarized sharply, with Democrats supporting, and Republicans opposing, such policies as the Equal Rights Amendment and abortion rights.

The Convention on the Political Rights of Women was approved by the United Nations General Assembly during the 409th plenary meeting, on 20 December 1952, and adopted on 31 March 1953. The Convention's purpose is to codify a basic international standard for women's political rights.

~~Convention on the Political Rights of Women — Wikipedia~~

The Convention on the Political Rights of Women adopted in 1953 by UN General Assembly is a first international legislation regarding political rights of women and it aims to codify a basic international standard for women's political rights. It has 122 state parties.

~~WOMEN'S RIGHTS: Why are women's rights important ...~~

The literature on the economic consequences of women's rights documents that more rights for women lead to more spending on health and children, which should benefit development. The political-economy literature on the evolution of women's rights finds that technological change increased the costs of patriarchy for men and thus contributed to the expansion of women's rights.

~~Five major things Trump has done to roll back women's rights~~

Women's rights are the rights and entitlements claimed for women and girls worldwide, and they formed the basis for the women's rights movement in the 19th century and the feminist movements during the 20th and 21st centuries. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others, they are ignored and suppressed.

In ~~The Politics of Women's Rights in Iran~~, Arzoo Osanloo explores how Iranian women understand their rights. After the 1979 revolution, Iranian leaders transformed the state into an Islamic republic. At that time, the country's leaders used a renewed discourse of women's rights to symbolize a shift away from the excesses of Western liberalism.

Although this may seem like a fringe issue, it has affected a wider spectrum of political decisions regarding the role and rights of women, women ' s health, and gender. Bearing the brunt of the political debate on women ' s reproductive rights have been Planned Parenthood clinics, which provide information on and access to abortions, among other health services for women.

~~Abortion and the Political Futures of Women ' s Rights — The ...~~

Women ' s rights have been at the heart of a series of international conferences that have produced significant political commitments to women ' s human rights and equality.

~~Women s Rights are Human Rights Women s Rights are ... — OHCHR~~

In doing so, Osanloo unravels simplistic dichotomies between so-called liberal, universal rights and insular, local culture. The Politics of Women ' s Rights in Iran casts light on a contemporary non-Western understanding of the meaning behind liberal rights, and raises questions about the misunderstood relationship between modernity and Islam.
