~~The Quran And The Secular Mind A Philosophy Of Islam (EBOOK)~~

"Secular Islam" means that the collection of beliefs, moral values and teachings which comprise Islam do not confer on Muslims a mission to form a government or state. The idea of establishing an Islamic state based on the Quran and the Sunnah is incorrect, as neither presents a model for such a state.

~~Why Secularism Is Compatible with the Quran and Sunnah~~

Secularism is an ambiguous concept that could be understood to refer to anticlericalism, atheism, state neutrality toward religion, the separation of religion from state, banishment of religious symbols from the public sphere, or disestablishment (separation of church and state), although the latter meaning would not be relevant in the Islamic context, since Islam has no institution corresponding to this sense of "church".

~~Islam and secularism - Wikipedia~~

This has been the bane of this mighty segment of the world population ever since Islamic terrorism, unchallenged by ordinary, secular Muslims, crossed Europe and entered the United States in 2001 ...

~~Time secular Muslims stood between Islam and terror~~

Given the global reach of a western secularized culture that sets the mental fashion of virtually the entire world, all faiths must sooner or later endure trial by secular reason. It remains an open question, in the case of Islam, whether it will come out unscathed.

~~The Quran and the Secular Mind - Taylor & Francis~~

The Qur'an did not content itself with what Napoleon had been brought up to think of as "religion". Its scope was much broader than that. From fiscal policy to sumptuary laws, it offered prescriptions for entire dimensions of what, in Europe, had long since come to be defined as "secular".

~~The Quran and the Secular Mind eBook by Shabbir Akhtar~~

Islamic feminism is defined by Islamic scholars as being more radical than secular feminism, and as being anchored within the discourse of Islam with the Quran as its central text. [47] During recent times, the concept of Islamic feminism has grown further with Islamic groups looking to garner support from many aspects of society.

~~Liberalism and progressivism within Islam - Wikipedia~~

~~Time secular Muslims stood between Islam and terror~~

In order to be a Muslim by conviction and free choice, which is the only way one can be a Muslim, I need a secular state. By a secular state I mean one that is neutral regarding religious doctrine, one that does not claim or pretend to enforce Shari'a—the religious law of Islam—simply because compliance with Shari'a cannot be coerced by fear of state institutions or faked to appease ...
