turn the chunky clock hands to show the time of day on every page. This book is a brilliant way to start learning how to tell the time. Featuring a sturdy clock with hands to turn, and adorable animals at different times of day, all accompanied by the beautiful artwork of Eric Carle.

The young child begins to develop a reading vocabulary by matching simple words with corresponding drawings. On board pages.

Little ones can unfold the full-page flaps to discover the vibrantly illustrated opposites on each page, including big and little, short and tall, and over and under!

Introduces more than two hundred words, including foods, number, shapes, colors, and feelings.

One day, a little cricket is born and meets a big cricket who chirps his welcome. But the little cricket cannot make a sound. The cricket meets many insects, but it isn't until he meets a beautiful female cricket that he can finally chirp "hello!" Excerpt: Hello! whispered a praying mantis, scraping its huge front legs together. The little cricket wanted to answer, so he rubbed his wings together. But nothing

Welcome winter with The Very Hungry Caterpillar and his friends in this sensory exploration of the season. Discover the very best of this time of year: snowy days full of play, the sounds of birds chirping atop a snowman, the smell of cookies fresh from the oven, and so much more!

Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist

Caterpillar and all his animal friends in this sturdy box with magnetic closure, containing nine mini board books perfect for little hands to explore. Each book is full of amazing animals, and the back covers join together to make a beautiful Very Hungry Caterpillar puzzle. With classic, stylish Eric Carle artwork, this is a great gift collection that children will love.

"One fine morning, a rooster decided he wanted to travel." In strikingly designed, colorful collage illustrations and a beguiling simple text, Eric Carle takes his young readers on a trip with the rooster and his companions. As he travels, the rooster is joined by two cats, three frogs, four turtles and five fish, offering the child a graphic introduction to the meaning of numbers, number sets and addition within the context of an entertaining story. When night falls, the rooster's friends find he has made no provisions for their food or shelter and, disappointed, they abandon the expedition -- once again in sets of five, four, three and two, but this time in a declining series. Finally the rooster, too, decides that he has seen enough of the world and that he is, in fact, a little bit homesick. Eric Carle believes in letting children make learning discoveries at their own pace. This book can be read and enjoyed for its story and its beautiful illustrations alone; however, the child who is ready to
