Digital Marketing and PR Agency - Zen Media

“The Zen of Social Media Marketing (4th edition) demystifies the wacky, yet immensely powerful new world of online conversational marketing and serves as a great primer. to understand where to allocate your time, money, and energy. A great read for entrepreneurs, professionals, and small business.”

Books - Shama Hyder

The title of “The Zen of Social Media Marketing” suggests that it is a philosophical approach to social media and marketing, but it’s title is misleading. While it may be thin on philosophy and introspection, it is a decent beginners “how-to” book that teaches readers about successful online social media strategies and ways to leverage social media tools for any size business.

Book Review: The Zen of Social Media Marketing | USC APOC ...

Social media is a consumer platform, where teenagers in Melbourne, customers in Minneapolis, and prospective buyers in Midlothian all have the same opportunity to voice their opinions, ask questions, and share experiences. Consumers are in control of the message, and they revel in their control.
