Toro Heater Manual

This machine is intended to be used by residential
homeowners. It is designed primarily for removing
snow from paved surfaces, such as driveways and
sidewalks, and other surfaces for traffic on residential
or commercial properties. It is not designed for
removing materials other than snow, nor is it
designed for clearing gravel surfaces.

Overview The T4240 is a high output mower able to compete with tractor drawn gangmowers in large open areas, yet has the versatility to be used in confined spaces as either a triple, or a five unit machine. Excellent all round visibility from the seating position allows cutting up to obstacles and helps ensure a safer operation.
