This manual is a guide for the inspection, maintenance, and repair of bridges for military installations. It is a source of reference for planning, estimating, and technical accomplishment of maintenance and repair work and may serve as a training manual for facilities maintenance personnel in the Army

# Download Free Us Army

and Air Force engaged in maintenance inspection and repair of bridges. It provides guidance for typical maintenance and repair of bridges to retain them in continuous readiness for support of military operations. It also describes the methods used in accomplishing this maintenance and repair work. The text includes

# Download Free Us Army

general principles of  
maintenance and repair  
for use by all activities  
designated to maintain  
bridges at Army and Air  
Force installations in  
a condition suitable for  
their intended use.
