When I'm resuscitated after a car accident, my second chance at life comes with a gift. I can hear the dead. I'm struggling to figure out my new life as a psychic. I'm trying to figure out my new feelings for my best friend since second grade, Jax. And I'd like to pass my freshman year of college, too. And then the Hunters show up. Rough Luke and gorgeous Mave. It doesn't take a psychic to tell those boys are trouble. They're trying to stop the November murders. A girl disappears from campus every November, and they believe she's being taken by a murderous poltergeist. They can't speak to the dead. They need

me. Most of all, the women on our campus, and the ghosts of the dead girls, need me. I can't let them down. I hunt the ghost. And then the ghost hunts me. If I can trust Jax and these Hunters to have my back, we might all survive. But how can I ever reconcile these two worlds? I long for life with Jax, simple and sweet. And I crave the chance to use my gifts, with these two Hunters by my side. When you come back from the dead, how do you learn to live again?

Few people know the truth... fairy tales are really nightmares. Growing up as the daughter of the beast himself, I saw the wicked truth after happily-ever-after ended. And I vowed to use the only skill I had, my ability to kill, to gain my freedom. But I failed. Imprisoned for my mistake, I spent every day thinking about the three men responsible for my downfall. And what I wanted more, revenge or the life that was stolen from me. Finally free, I join the Guild of Assassins, only to come face-to-face in the training yard with the men I cared for... the ones who had me locked away. The wolf shifter who was my best friend. The man who always made my heart race. And the dark prince of the vampires himself. I wanted to kill all three of them. But joining the guild meant working together. The guild was the only place where my background-as a princess and a prisoner-wouldn't be held against me. But our past is more complicated than I realized... and the future? Well, there might not be one. **MERCY'S REVENGE** is a steamy paranormal reverse harem with a kickbutt heroine. This is a whychoose romance, meaning that our heroine doesn't have to choose between her guys.

To do what's right, I'll venture into hell, even if it will cost my life. Despite calling the Congregation my

home, I, Natasha Grey don't belong. You see, unlike the other Creatures in my all male team-a vampire, a werewolf, a shifter, and a fae, I neither know my heritage, nor do I have any magic. At least that's what I thought until a rogue vampire rips my throat out and everything changes. Instead of dying, I heal, and he turns to dust. The Director of the Congregation confesses that I'm an angel and now that my identity is no longer cloaked, my enemies will come for me. Sure enough, the Congregation is attacked by a half-demon, who captures the Director. Only my team can rescue our mentor. Despite our differences, the four men and I must work together to succeed. As we journey toward the lower realms, the four guys and I develop a deep bond. Soon there's more than friendship going on between me and the hot, yet stubborn vampire Alexander. Will my team's combined powers be enough? Will we rescue the Director in time? Or will we too become prisoners, tortured for all eternity? *Angelic Hearts* is the first book in *The Angel's Guardians* series. The book ends in a cliffhanger. Don't miss this delicious paranormal reverse harem romance filled with magic, sizzling romance, and heart-pounding action!

Or, at least, they will when a girl goes missing. Now it's up to Jane and her angels to crack the case, bring the girl home, and save the day. ...and this time, she might find that helping gets her what she's really wanted all along.

Knowing he needs my help, I get together with his six snow biker friends to come up with a plan. But brainstorming isn't the only thing we do. After all, I've never met men like that-ripped, wild, with scorching eyes, and deft hands. Can you blame a girl for saying yes when six men vie for her? Together, we do some racy, unspeakable things to help Jack. Soon what started as a hookup, turns into much more. Can an orphan girl get a happy ending with seven mountain men, or am I simply delusional? Handsome & Greta is a sizzling reverse harem novel about a fearless heroine and her seven hot men.

Anne Perrin is resigned to a life driven by an adolescent trauma: a strict routine, no socializing (outside of the safety of her waitressing job), and no romantic relationships. When her cautious lifestyle lets the perfect partner slip through her fingers, Anne vows she won't let it happen again and ventures into San Francisco to find happiness. Her first night out in a decade becomes a nightmare when her date turns on her with sadistic intent. But his nefarious plans for Anne are unexpectedly interrupted by a mysterious savior. Valiant, smart, compassionate ... Charlie is exactly the partner Anne has been looking for. And best of all, he likes her too. Things go well between her and Charlie until an assailant with unexpected strength plunges Anne into a world she didn't know existed — nor could have imagined — where super-science and an eclectic group of extraordinary individuals may be the solution to Anne's lifelong loneliness ... and humanity's only hope against an ancient threat.

They sought to silence me. They wanted me as their tool. Fortunately, they underestimated me. I knew too much, so they took my memories away. But even without them, I'm a force to be reckoned with. Because our enemies might call themselves angels, but the devil knows better. Well, maybe not the devil himself, but my demons sure as hell do. With my three supernatural men at my side, we'll do whatever it takes to make this world right again. Even if it means overthrowing the angels, and heaven itself, to restore the balance of all the realms. Only, we're not the ones who need to rule. The chosen immortals are. And they've been hidden away, so if we can't find them in time, this war will be lost. The clock is ticking, and the search is on... IMMORTAL TRUTHS is the second book in a steamy paranormal reverse harem romance. It has three sexy demons, druids, gargoyles, mages, and bad angels. So if you're looking for a new and unexpected twist on heaven and hell, grab your copy of Immortal Truths. (This book was previously released titled "Rebel Lies.")

When I'm called in to investigate a chain of suspicious deaths across Alaska, I meet three of the hottest, and most dangerous, monsters I've ever seen. Just one problem. They're the things that go bump in the night-a vampire, a fallen angel, and a demon. Enemies I must trust with my life if I'm to solve the dark trail of mysteries before more lives are lost.
